## EXPERIENCE

### BARITA INVESTMENTS LIMITED, *Oldest Stock Brokerage Company in Jamaica, US\$2B AUM*

Kingston, JM

**Investment Banking Manager (2022-2024), Assistant Manager (2020-2022)**

2020-2024

- Drove execution of \$50M+ in oversubscribed capital raises for parent company's regional growth; handled legal, compliance, and investor workflows in collaboration with cross-functional teams
- Structured and executed \$60M+ in public and private capital raises (debt & equity) for external clients during and post-COVID; originated deals, conducted analyses for approval, and led diligence, documentation, and stakeholder coordination across legal, compliance, and distribution
- Managed cross-listing of Massy Holdings Limited (US\$1B Caribbean & LatAm investment holding co.) on the JSE; navigated regulatory and legal processes across Jamaica & Trinidad to enable listing, expanding investor access and regional visibility
- Developed governance and risk frameworks as inaugural IB team member to formalize transaction workflows, approval procedures, and document management; strengthened FSC compliance and improved audit outcomes
- Served as Subject Matter Expert for the IB team on firm-wide system migration project; translated functional needs into technical requirements and led UAT with IT, ops, and external consultants to support IB process integration pre-launch

### SAGICOR INVESTMENTS JAMAICA LIMITED, *Sagicor Group subsidiary, US\$660M AUM*

Kingston, JM

**Capital Markets Officer (2020), Associate (2018-2020), Intern (2017-2018)**

2017-2020

- Seconded the VP of Capital Markets on \$30M capital raise for acquisition of Jamaica's only female-founded brokerage; helped negotiate and finalize transaction terms, oversaw compliance, and engaged directly with client—earning a post-deal offer
- Executed \$190M+ in public offerings and private placements; handled documentation, assisted investor engagement with institutional and HNW clients, and optimized workflows to facilitate timely closes, contributing to over \$5M in fee income
- Created standardized Excel templates to track investor interest and allocation, replacing ad hoc methods; strengthened internal consistency, improved audit readiness, and enhanced data accuracy across capital markets transactions

### THE ADVISORY BOARD COMPANY, *Healthcare Research and Consulting Firm*

Washington, D.C

**Research & Insights/Marketing Coordinator**

2016-2017

- Spearheaded development of centralized collateral repository as part of a cross-functional team; organized inputs from product, sales, and research to improve access to healthcare content and reducing material retrieval time by over 75%
- Managed workflows and deliverables for 3+ executive client leads across enterprise healthcare accounts; ensured project execution, task prioritization, and interdepartmental coordination aligned with client goals and internal timelines
- Analyzed member feedback and usage data from hospital systems to assess service satisfaction, identify upsell opportunities, and inform product engagement strategies; delivered recommendations supporting client retention and revenue growth
