EDUCATION

Embry Riddle Aeronautical University

Expected: May 2028

- Major: Electrical and Electronics Engineering
- Minor: Applied Mathematics

EB Flight Training

July 2023-Present

- Private Pilot License (06/2024)
 - 215 flying hours
 - Instrument Rating (present)
-

EXPERIENCE

Rising Stars Academy – Preschool Teacher

Oct 2023- Dec 2024

- Constructed 45+ lesson plans adapted based on students' intellectual challenges.
 - Communicated with 15+ parents regarding their child's needs, including disabilities such as autism and dyslexia.
 - Collaborated with colleagues to ensure all children from ages 6 weeks to 5 years had a safe and educational environment.
-

ACTIVITIES

Aircraft Turbulence Detection Research – Independent Project

Jan 2025–Present

- Developing a lightweight, aircraft-mountable SODAR-LIDAR system to detect microbursts and clear air turbulence.
- Utilizing historical weather datasets and machine learning to analyze and predict hazardous atmospheric conditions
- Aiming to enhance real-time pilot alerts and overall flight safety through embedded sensor systems

Autonomous Maritime Robotics Association- Member

Aug 2024-Present

- Worked on a project called Rob Sub that incorporates aspect of software and hardware.
- Part of the Electrical Engineering team working to created new printed circuit boards and wiring methods, using software like Altium

Georgia Bhangra Academy- Member

Jan 2016- July 2023

- Member of a competitive dance team raised a combined of 2500 USD in fundraiser.
-

ADDITIONAL INFORMATION

Skills: MS Office Tool, Technical Writing, HTML, Project management, Data Entry, Altium, Arduino, Fusion 360,

Certifications: Python (05/2019), Java (10/2020), Cybersecurity (03/2019), Department of Childcare and Family (02/2024), Amazon Web Services (current)

Languages: Hindi (Fluent), English (Fluent)
