 - Designed and executed opening stage of President's Ball with a "Cinderella" theme, achieving over 80% positive feedback
-

EXPERIENCE

CHINA GLOBAL TELEVISION NETWORK (CGTN)

Associate Media Strategist, Internal Strategy Team

Beijing, China

Jan.2024-Jul.2024

- Analyzed media coverage of China's mid-year economic performance, delivering strategic recommendations showcasing due diligence and market trend analysis to the highest administration of the country to directly support national decision-making
- Optimized subscriber retention strategies through quantitative view count trend analysis and A/B testing on Facebook, Twitter, and YouTube, driving a 20% increase in engagement across over 10 high-priority media initiatives
- Designed GTM strategies for 20 projects through comprehensive market analysis, uncovering key audience behaviors on YouTube Shorts and TikTok to inform content strategies, achieving an average engagement of over 10 million views per project
- Led a cross-functional initiative engaging more than 50 teams to launch the first internal innovation competition, fostering a pipeline of creative solutions across a workforce of 4,000
- Coached and mentored more than 10 junior staff in report writing and presentation skills, improving the quality of deliverables for senior-level meetings and aligning communication strategy across functions

Assistant Program Director, Communications and Development Department

Jan.2021-Jan.2024

- Managed end-to-end production of the "Towards a Sustainable Future" series in Tanzania, including stakeholder interviews and resource coordination, driving viewership and ranking it among 2023 CGTN's top 10 products on Facebook and YouTube
- Led a cross-departmental team of 34 to produce "New Wind Vane," a pioneering TV program blending entrepreneurial narratives with cutting-edge VR, surpassing engagement targets by 760% with 57 million views on Facebook, Twitter, and YouTube
- Oversaw creation of inaugural "China Documentary Festival," owning end-to-end process across all key stakeholders. Optimized content distribution across 100+ TV channels, achieving 20% YOY growth in TV viewership and over 100 million views online
- Initiated and directed CGTN's first short-form video competition, developing a strategic framework that engaged over 100,000 global contestants within two days and exceeded visibility goals by 300% on Facebook and TikTok
- Spearheaded a panel discussion on global food crises, leveraging macroeconomic research and diplomacy to syndicate content across more than 100 international English-speaking channels

Research Fellow, CGTN Think Tank

Jul.2020-Jan.2021

- Developed and presented strategic reports analyzing audience behaviors and media market dynamics, driving executive decisions that enhanced product-market fit by 30%, increased initiative success rates by 10% and elevated customer engagement by 15%
 - Built interactive data dashboards and visualizations using RStudio and Tableau for *CGTN Public Opinion Project*, streamlining data processing by 70% and enhancing decision-making on English-speaking audience engagement strategies
 - Coordinated 300+ online and offline speakers for the South-South Forum, achieving over 270 million global views across TV channels, Facebook, Twitter, and YouTube
-
